

**Herefordshire YFC is offering a chance to get your
Car and Trailer Training (B+E)
qualification by completing a 2 day course
delivered by a qualified trainer.**

For drivers looking to upgrade their car licence to enable them to tow a trailer/horse box. The driver training course will include:

- On the road driving tuition with a DSA registered instructor
- Manoeuvring exercises
- Controlled braking exercise
- Coupling and Uncoupling

Eligible candidates must be:

- Fully licensed to drive a car (Class B)
(Gained driving licence after 1 January 1997)

Your DSA test will be booked to take place on the last day of your training course. This will take place at Gloucester LGV test centre. The trainer has tests continually prebooked to avoid long waiting times meaning you can pass quickly!
